Big Gay 5K Sponsorship Opportunities

The Big Gay 5K is a major fundraising event for the Milwaukee Gay Sports Network (MGSN), a 501(c)(3) organization. Our annual Big Gay 5K Run/Walk promotes health, wellness, and inclusion within the LGBT community.

This year the event will be held on Sunday, September 17th, 2023. Each year we see a growing number of participants and generate substantial funds to support LGBT sporting organizations. Your generous sponsorship will assist the MGSN in the continuation of support for our community. We honor Grant Heffelfinger, who promoted and participated in many community events. Grant spent his entire life advocating for diversity and inclusion for everyone. Grant's acceptance and kindness were reflected in his generosity and dedication to the LGBT community.

Together, we can make this year a major success!
